Inclement Weather Plan

The City of Garland's Christmas on the Square may be postponed in the event of inclement weather or other unforeseen circumstances. With the onset of a wet winter, it is important to know how citizens, volunteers, and staff can find out about an event postponement. **The current postponement date is Thursday, Dec. 12 from 5:30 – 9:30 p.m.**

If necessary, City leadership will make the decision to postpone Christmas on the Square by 2 p.m. (or earlier if weather is already inclement) on Dec. 5, 2013. The City will make the announcement no later than 3:30 p.m. for the sake of those involved in the event and those visitors that may be commuting. However, with the unpredictability of any situation, this may not always be possible.

■ Information will immediately get posted on the front page of the City of Garland web site at www.garlandtx.gov.
■ E-mails will be sent to all City e-mail groups, volunteers and staff with the postponement information.
■ Postponement information will also be posted on the City social networking sites Facebook (City of Garland, Texas Government or Garland Parks and Recreation) and Twitter (@garlandtxgov).
■ The Public & Media Relations staff will contact all local news media to announce the postponement. Since WFAA, ABC 8 is this year's media sponsor, they have assured us they will announce any postponements in their 4 p.m. and 5 p.m. newscasts.

The quickest and most reliable postponement information will be available to you via the City web site, www.garlandtx.gov. You are urged to check for late breaking event information there first if at all possible. To register for Garland E-News announcements, click here.
