As of July 31, 2011

Program Title	Lead Agency	Grant Description	Source	Status	Website
Housing and Community Development					
Homelessness Prevention Rapid Rehousing	City of Garland Neighborhood Services	Provide homeless prevention assistance to households who would otherwise become homeless and to rapidly re-house persons who are homeless and those at risk of becoming homeless. The funding is designed to serve as a last resort for those in a shelter, on the street, in transitional housing or in imminent danger of becoming homeless. All funding will benefit households with incomes equal to or less than 50% of the area median income.	Formula	GRANT SECURED: $858,997	http://www.ci.garland.tx.us/Home/Departments/Community+Services/Neighborhood+Services/nsp01_landing.htm
CDBG-R	City of Garland Neighborhood Services	Install energy efficiency retrofits into single family homes for low income households. Eligible applicants are homeowners that have incomes at or below 80% of the area median income. The goals of the program are to increase energy efficiency and reduce the burden of utility bills, improve the quality of life by improving indoor air quality, buffering exterior noise, reduce pollutants and contribute to having a cleaning environment and healthier neighborhood by reducing energy consumption. Approximately 33 homes will be retrofitted.	Formula	GRANT SECURED: $561,811	http://www.ci.garland.tx.us/Home/Departments/Community+Services/Neighborhood+Services/CDBG-R_landing.htm
Weatherization Assistance Program (WAP)	Dallas County Health & Human Services	Provide up to $15,000 per single family housing unit weatherization improvements for approximately 56 households. Weatherization improvements include energy efficient appliances, windows, insulation, HVAC systems	Formula	GRANT SECURED: $1,208,954	http://www.dallascounty.org/department/hhservices/services/grantswelfare/weatherization.html
