Capital Murder Charges Filed in Infants Death

Garland Police responded to a CPR in progress this past Friday morning just after 5:00 am in the 1300 block of Elmhurst. Officers and Garland EMS arrived to find CPR being administered to 5 week old Spencer Claire White. Spencer was transported first to Baylor Hospital of Garland and then by helicopter to Children's Medical Center of Dallas. She was listed in critical condition with multiple injuries.

Police detectives responded to the scene and discovered Tommy James White Jr., the father of Spencer, was alone with Spencer for a short time while other family members went to the store to purchase a new pacifier. When they returned, Spencer was unconscious and not breathing.

Detectives talked to Tommy White and believe he caused the injuries to Spencer while left alone with her. Spencer died Friday evening as a result of her injuries. Tommy White Jr. has been charged with Capital Murder-Person under Six Years of Age. White is currently in the Dallas County Jail with a bond set at \$1,000,000.
