

To obtain details on a specific Mosquito Management Area (MMA), including spraying and trapping information, please follow these steps after selecting the Mosquito Spraying Map option on the website:

- 1) Click on the blue "i" icon that is directly to the left of the title Mosquito Management Areas (see arrow in the above picture)
- 2) After this icon has been selected, take the cursor and click on the particular grid/MMA of interest. Spray and trap information will appear in the right hand column for the grid/MMA selected.
