Chairman John Willis called the meeting to order at 6:00 p.m.

The minutes of the January 31, 2011 meeting were approved after a motion by Council Member Laura Perkins Cox.

Review of a Neighborhood Vitality Grant Application

Staff presented a summary of an application from the New World subdivision requesting funding for a trail in Armstrong Park which would link sidewalks existing on La Jolla and Rockledge. Staff indicated the project had been reviewed by the appropriate departments and was eligible for funding. After reviewing the submittal, the Committee by unanimous vote agreed to send the application forward to the full Council with a recommendation for approval.

There being no further business, the meeting was adjourned at 6:05 p.m.
