

GARLAND FIRE MARSHAL'S OFFICE
1500 Hwy 66
Garland, TX 75040
972-781-7148

PLAN SUBMITTAL REQUIREMENTS

1. Civil plans—on a single page of the site plan show existing and proposed:
 - a. Fire lanes
 - b. Fire hydrants
 - c. Fire department connections (FDCs)
2. Fire Protection Systems—submit:
 - a. At least three copies of plans. One set will be kept. You may submit more if you need more stamped copies at no extra charge
 - b. At least one copy of appropriate “cut sheets”/technical information. These will be kept by the FMO. More than one copy may be submitted if you will need a set returned.
 - c. At least one set of calculations as required for the type of plan being submitted (hydraulic for fire sprinklers, battery for fire alarms, etc). These calculations will be kept by the FMO. More than one copy may be submitted if you will need a set returned.
