

An applicant for registration shall:

1. Provide evidence of Texas Commission of Environmental Quality (TCEQ) Backflow Tester certification in accordance with all applicable regulations
2. Demonstrate to the Managing director that the applicant has the available the necessary tools and equipment to properly test backflow prevention assemblies
3. Provide evidence to the Managing Director that the applicant has successfully completed "Confined-Space Entry Training" as specified by the Occupational Safety and Health Administration (OSHA) (29 CFR 1910.146)
4. Identify all test gauges the applicant will use in testing backflow prevention assemblies
5. Pay a registration fee of \$75 to the City of Garland (Payment shall be made upon initial application and annually after a registration is issued. The annual renewal registration fee shall be paid on or before January 1 of each calendar year.) Testers must also purchase a testing form booklet containing 30 forms for a fee of \$25. (These fees/payments may be made by check, money order or credit card.)
6. Fire line testers must provide proof of permit employment by an approved fire line contractor.
7. **Testers must register in person.**
