In celebration of National Parks and Recreation Month, join in the “Caption It” fun! Every Monday, Wednesday, and Friday in July, stop by a Garland recreation or senior center or check out our Facebook page to caption a new picture captured in a Garland park or recreation facility. Winners will be chosen each day for fabulous prizes.

Want more chances to win? Find the location from each “Caption It” picture and take your own photo. Submit the photo by email no later than July 31 to win big!
